

Dates to Remember

Toddlers Stay and Play

The sunshine playroom will be hosting a stay and play session on the 21st May 2019. They will be sending out invites to you all very soon!

Nursery Closure

The nursery will be closed on Monday 27th May.

Father's Day Afternoon Tea

The rainbow and sunshine playroom will be hosting Father's Day afternoon tea on the 12th and 13th June 2019 3pm – 4pm. We hope to see you all there for this event – invitations to follow soon.

Graduation

The children's graduation will be on the 20th June 2019. On this day the nursery will close at 4.30pm.

Nursery News

May 2019

Recent Care Inspection

We had our inspection from Care Inspectorate Scotland, and we are delighted to announce we received Grade 5's in the following themes;

- Quality of Care and Support
- Quality of Staffing

The children adored having visitors in the nursery and were not shy in showing off their hard work and inviting our visitors to play.

The final report will be published very soon. Once this is complete we will forward it on to everyone via email and the nursery website.

Our Recent Outing

The rainbow playroom had a wonderful time on their recent outing to High Gate care home. We walked all the way from nursery and all the way back – the children done fantastic with this!

The residents were so overwhelmed by the generosity of our nursery families and loved receiving their Easter eggs from the children.

The children spoke with some of the residents and sung beautifully to them with some spring favourites. The children gave feedback on their outing and would like to go back or invite everyone to our nursery to play.

Many thanks again for the generous donations and for our parent volunteers – we could not have done it without you all!

“Children see magic because they look for it”

Staffing Information

I would just like to share with you all the continuous professional development of our staff team.

Kirstin Dickie from the baby playroom and Karen Milligan from the toddler playroom are now working towards their SVQ 4 award in Social Services (Children and Young People).

We are so very proud of our staff team's enthusiasm to develop their practice through continuous learning.

We hope you will all join us in wishing them every success with their studies.

Environmental Health

We had another visitor to our nursery to inspect our food hygiene and standards within the nursery.

After going through all of processes and visiting our kitchen area we were awarded a pass!

We are absolutely delighted to share this with you – our new certificate will arrive very soon. We will display this on the door of the kitchen for all to see.

Picking up Children

Over the last few weeks we have still had children being picked up from nursery up to 15 minutes late at lunch time and after 6pm in the evening. I would just like to remind all parents that the session times are as follows;

AM session: 7.30am – 12.30pm

PM session: 1pm – 6pm

Full day: 7.30am – 6pm

The staff have commitments out with their working day, and the nurseries insurance does not cover after 6pm. We would appreciate if all parents could pick their child up in enough time to receive their handover from staff and to leave the nursery at their session times. Thank you for your understanding on this matter.

Last Day: School Leavers

We will be very sad to be saying goodbye to 14 children who will soon take on a new adventure in Primary 1.

They are more than ready for this next chapter and we hope you will all be back to visit!

If I can just remind everyone there is a 4-week notice period for leaving nursery. Once you know your child's last day, if you can please let the office know asap. Many thanks for your understanding with this.

Holiday Information

We are fast approaching the summer months and some families have let us know when they will be going on holiday.

May we please ask if everyone could possibly do the same? This means that staff would not need to phone and disturb any holidays that you have organised – thank you.

Data Request Forms

Can I please remind everyone to complete and return the data requests forms that were sent via email.

It is very important we have up to date details for your children i.e. contact numbers, emergency contacts, allergy information and so on.

If anyone requires another form to be sent please do not hesitate to let me know.

The completed forms can be handed into the nursery or sent via email.

Many thanks for your understanding with this.
